

Week 4: Consistency

1. Watch the Week 4 Intro video
2. Print the PDF workbook for Week 4
3. Watch the videos and fill in the workbook questions
4. Share your thoughts, reactions, and insights in the Revive! Facebook group

Videos in this module:

- Introduction Video
- Video 1: Your Homeschool Mindset
- Video 2: Simple Organization
- Video 3: Focusing on What is Important
- Video 4: Eliminating Distractions

Week 4: Consistency Intro

Think About It

Think about what things are keeping you from being consistent in your homeschool. List the things that come to your mind? Don't try to fix anything. Just let your thoughts out for now.

Week 4: Your Homeschool Mindset

Think About It

Visualize your ideal homeschool day. What specific things are keeping you from that ideal day?

Brainstorm ideas for eliminating those things.

Week 4: Simple Organization

Think About It

Which simple organization techniques resonated with you? Write them down here and implement them in your day.

A large, empty light gray rectangular area intended for writing notes.

Week 4: Focusing on What is Important

Think About It

What were your thoughts as you watched this session? Does the process make sense? Does it feel doable? What scares you about this plan? Why do you think that is?

Take Action

Print up the Goal Planner worksheets that are part of this lesson. Brainstorm and prioritize goals for each of your kids.

Week 4: Eliminating Distractions

Think About It

Which of the strategies for eliminating distractions in your homeschool resonate with you?

Empty response area for the first question.

How will you work to eliminate distractions in your homeschool?

Empty response area for the second question.
