## What You'll Learn in This Session

Giving Your Kids the Best Education Possible

- The importance of understanding your kids' learning differences
- How to have the right expectations
- The importance of support and how to find it
- 4 things you must do aside from academics
- Hope for the hard days

---

---

---

---

---

---

---

---

*Kids that learn differently need to be taught differently.*

---

---

---

---

---

---

---

---

### **Start With Understanding**

- Learn about your kids learning differences
- Strengths and weaknesses
- Increases compassion and calibrates expectations
- Points to effective teaching resources

#### **How to Find Reliable Resources to Learn**

- Research-based as a foundation
- Beware of false claims
- Read independent reviews
- Personal experience of others

---

---

---

---

---

---

---

---

### **Expectations**

- The reason most homeschoolers struggle
- Different, not lower
- Learn differently: find methods that work
- Learn on a different trajectory: on a different timetable
- There will be good days and bad days
- It can be lonely: find support

**Stop using the traditional school methods as your guide!**

## 4 Things you must do

---

---

---

---

---

---

---

---

---

---

**Teach them at their level.  
You're not behind!**

---

---

---

---

---

---

---

---

---

---

**Use methods that work,  
as consistently as possible.**

---

---

---

---

---

---

---

---

**Look for where their strengths  
and interests intersect.**

---

---

---

---

---

---

---

---

**Prioritize your relationship.**

---

---

---

---

---

---

---

---

God made your kids for a purpose!
